## Product highlights

### Exceptional "soft touch" feel

### 15-minutes' recording time

### SIM-card copying facility

*With the SIM-card copying facility, you can transfer your whole mobile-phonebook onto your home telephone in a matter of seconds.*

### Exclusively crafted design

### White backlit inverse display

### XHD sound

*Enjoy high quality conversation, with a level of clarity rarely heard before. Thanks to a high quality speaker, sophisticated technology and to a real acoustic chamber, the audio spectrum reaches far beyond what's normally heard on a telephone.*

### Enhanced speakerphone

*Combine a high quality speaker, sophisticated signal processing, a real acoustic chamber and full duplex handsfree and you'll get the most natural reproduction of a conversation. Both sides can speak and be heard at the same time, like in a face-to-face conversation.*
