plantronics

Talk, listen and play

.Audio™ 322 Stereo headset

Ideal for Internet calling, stereo music and gaming.

.Audio™ 322

Talk, listen and play. Get the most out of multimedia on your PC with the Plantronics .Audio™ 322. The perfect all-rounder that delivers rich stereo sound to a full range of media – music and games, internet calls, speech recognition, video conferencing, and voice recording. A noise-cancelling microphone enhances speech accuracy and voice transmission quality. The bendable boom adjusts for perfect microphone placement and conveniently stows away when not in use. A lightweight, adjustable headband and feather-soft, swivel-mounted ear cushions provide all-day comfort. The .Audio 322 is compatible with popular PC sound cards – just plug it in and start talking, listening and playing.

KEY FEATURES

- Full-range stereo intensifies audio experience
- Noise-cancelling microphone boosts speech accuracy
- Adjustable boom assures ideal position
- Microphone boom stows discreetly out of the way when listening to music and watching DVDs
- Lightweight and comfortable headband ensures all-day wear
- Swivel-mounted, soft ear pads provide comfort and acoustic accuracy
