## WHY BUY?

SeaClean2 is now better than ever. We doubled the concentrate of our existing SeaClean fluid, creating a high powered and versatile cleaning solution.

Made from a unique formula containing natural products, mixing carefully balanced quantities of Seaweed, Coconut Oils & Fruit extracts to create a powerful cleaning solution.

It will assist in the removal of tarnish, carbon, rust & dirt from most solid metals (not for use with plated metals), to return items to a shiny condition.

## BOTTLE SIZES:

**500ML / 1LTR / 5LTR / 25LTR**

Safety cap (push & twist type)  
Non-toxic, non-flammable  
Long shelf life.  
Manufactured exclusively in the UK
