

A black Plantronics Blackwire 500 Series headset is shown against a dark blue background. The headset features a perforated headband, a circular earcup with a mesh grille, and a boom microphone. The Plantronics logo is visible on the earcup. The text "Smart Sensor™ technology" is positioned to the left of the earcup, and "Hi-fi stereo sound" is positioned to the right of the earcup. The headset is reflected on a surface below it.

Hi-fi stereo sound

plantronics®

Corded reliability that's ready when you are
Blackwire® 500 Series

Premium audio, all-day comfort and intuitive call management.

Blackwire® 500 Series

The **Blackwire 500 Series** corded USB headsets with Smart Sensor™ technology intuitively help you manage PC calls. Simply put the headset on to answer a call and you'll hear every word thanks to its premium audio quality. Durable and portable, it offers all-day comfort for juggling PC calls and multi-media wherever you work.

KEY FEATURES

Innovative, user-friendly design

- Smart Sensor technology lets you answer a call by simply putting on the headset
- One-touch call answer/end, vol +/-, and mute
- Inline indicator lights and user friendly audio alerts the user to connection, mute and volume status

Premium PC audio

- Dynamic EQ automatically adjusts audio settings between voice calls and music
- Enjoy hi-fi stereo sound (C520) for unmatched audio clarity when listening to multi-media
- PC wideband audio with noise-cancelling microphones for high-quality PC telephony
- Digital Signal Processing (DSP) provides natural voice sound

Included accessories

- Carrying case for easy storage and portability
