

# Aastra 6773

System telephone for OpenCom 100 and OpenCom 1000

**The Aastra 6773 was developed for workplaces with multifaceted communication tasks.**

The 4-lined graphic display makes a short access to the menu and functions possible. 15 permanent and 5 programmable keys partly with LED, three softkeys with LED and a display instead of paper stripes provide optimized communication conditions at the workplace.

Aastra 6773
