

Aastra 6775

High-End System Telephone for OpenCom 100 and OpenCom 1000

The corded system phone Aastra 6775 makes professional communication possible.

It is predestined for executive secretary configuration or operator work places. With the luxuriant equipment the Aastra 6775 is the premium device of the Aastra 6770 family.

The big 11-lined, illuminated graphic display gives a permanent overview of busy subscribers and applications, offers a competent management of the internal telephone book, the calling lists and attendant functions. Many functions and comfort features as well as up to three display extensions with softkeys makes the Aastra 6775 to a perfect communication manager in your company.
