

The freedom to look to the future

KX-NT630

The latest in IP telephone technology, designed by Panasonic

KEY FEATURES

- Large LCD with Backlight
- Flexible Function Keys of 6 items x 4 pages with Self Labelling
- Headset port
- Supported SRTP for secure communication
- Intuitive monochrome LCD screen

With Panasonic's new KX-NT630 IP phone, you benefit from a comprehensive, at-a-glance view of your business communications, thanks to an easy-to-understand, intuitive display. And thanks to embedded centralised management capabilities, integrating it into your organisation couldn't be easier.

- Information is always available at a glance, thanks to highly intuitive display
- Deploy corporate branding and information via the display throughout your organisation
- Reduce the risk of security attacks with SRTP support
- Enjoy easy set up with embedded centralised management and remote administration settings

- Register up to 24 flexible function keys, giving more support for frequently used numbers
