USB-A to USB-C Adapter

The USB-A to USB-C Adapter allows you to safely connect Sennheiser USB headsets and speakerphones to USB-C ports on computers and laptops and at the same time preserve the Sennheiser sound quality.

The high-quality adapter is compact and is practical to bring along. It can easily be plugged into the USB-C port on your laptop without further technical installations and is resistant to heavy office use.

Please note that the adapter works optimally with computers and laptops. Some tablet PCs and smartphones* might not be supported.

BENEFITS & FEATURES

– Preserves Sennheiser sound quality
– Safe connectivity on computer and laptops
– Compact and resistant to withstand heavy office use
– Practical to bring along on the go
– 2 years international warranty

* The performance depends on the smartphone.
