EASY BLUETOOTH PAIRING

1 Take the headphones out of the charging case and the headphones will automatically turn on flashing red and blue for 5 seconds

2 On your smartphone, tablet or computer go the Bluetooth menu and search for devices.

Select the device TWS and pair to it.

3 After using the headphones, place them back into the charging case and the headphones will turn off ready to be used again.

The paired device will be saved and connect automatically to your device in future
