## Microsoft Teams Optima HD IP Conference Phone

Yealink Teams enterprise-grade conference phone – CP965, is designed for medium to the large-sized conference room, brings the Teams experience and functionality from the desktop to the conference room. Based on Android 11, the Teams user interface reconciles easiness and simpleness, also strikes an exquisite balance between simplicity and sophistication. CP965 has 12+1 built-in microphones armed with Yealink's Optima HD Voice technology, providing a crystal-clear voice calling experience.

Android 11	12-Microphone Array	Teams Certification	USB-C/Teams
Built-in BlueTooth	Built-in Wi-Fi	5-inch Multi-touch Screen	EXP Mics

Key Features and Benefits

HD Audio, Smooth Communication
Thanks to its built-in 12 microphones for sound picking and one extra microphone for noise cancellation, CP965 owns a 20 feet (6 m) and 360° voice pickup range. It is an ideal solution for any conference room that needs the best audio experience as if all participants are sitting across the table from each other!

Easy-to-Use Design
The Yealink CP965 is a hermit in the conference phone, owns a 5-inch multi-touch screen and is fully compatible with Teams key calling/meeting functionality, which provides a rich and talented ecosystem. You can enjoy a tap-to-join meeting experience with CP965, which can synchronize Outlook Calendar meeting schedules.

Efficient Provisioning and Management
The Yealink CP965 is coupled with Yealink efficient auto-provisioning mechanism, including phone deployment and configuration. Administrators can take advantage of centralized deployment, management, updating. Moreover, CP965 supports several device management platforms, including Microsoft/Yealink/Unify Square Device Management Platform.
